PRESS RELEASE

2011 “Fishing is for Kids” Program 1000 Islands & FVBC

The Fox Valley Bass Club, in conjunction with the 1000 Islands Nature Center of Kaukauna, Wisconsin will conduct a 2-evening “Fishing Is For Kids” event, Tuesday, May 17th and Wednesday, May 18th, 2011 - 6:00 pm to 8:00 pm at the Nature Center. The first evening youngsters are educated in such topics as Fish Identification, Lures, Fishing Knots, Fish Cleaning, Angling/Boat Safety, and Casting. The second evening is the one the kids look forward to the most, because they are treated to an hour of fishing along the banks of the Fox River (weather permitting), and then it’s back to the Nature Center for the handing out of door prizes and goodies, all of which are possible thanks to generous donations from national and local businesses and supporting individuals.

Registration Fee for this event is \$2.00 per youngster. This program is primarily geared for youngsters 8 to 14, but all ages are welcome. Parents are welcome and encouraged to attend as well (Free of Charge). Registration begins Tuesday, May 17th at 5:30 pm or you can pre-register with the 1000 Islands Nature Center (766-4733).
